The Detroit Hockey Association has been providing the most affordable competitive hockey in metro Detroit since 1975. The future viability of all Detroit Hockey programs, from the i-Program, to the Detroit Dragons teams, to Hockey in the Hood depends in large measure upon the support of our sponsors. The 2007-2008 season marks the start of a sustained campaign to grow the DHA by bringing many more young metro Detroit children into the program. To help spread the word and attract more children and care givers, the DHA launched the new and updated <http://www.DetroitHockey.org> website.

The Detroit Hockey Association is asking generous sponsors to step forward and help us grow. DHA donations go to a great cause, helping to maintain the most affordable “learn to play” and competitive hockey programs in southeastern Michigan. Sponsorships are also tax deductible. Better yet, appearing as a sponsor on DetroitHockey.org is beneficial to any company involved in the hockey business, since DetroitHockey.org consistently comes up #3 in Google and Yahoo! searches of “Detroit Hockey.”
